Final Harvest is a riveting dark tale of an old man's desperate wish to be re-united with his deceased family. In a pact with the ancient tree on his land, the old man is assured his reward will be his wish of reunion. But how many innocent victims must suffer for him to achieve his promise to the tree and would his reward be according to his wishes. Final Harvest is a noir tale of love, death and being careful for what you wish for, because it may just come true. <http://myBook.to/FinalHarvest>
