

Jimmy Threepwood is a young boy with a tormented past. Having lost his father, the conspiracies against him by his dark team mates come to a head as they now face the Gatekeeper of life and death in a bid to destroy him. But Jimmy and his friends are starting to decay because of their use of dark magic and must find the fabled Elixir of Light – a mysterious compound that will restore their bodies and allow them to continue their dark mission to destroy the world.
