

# Five Minutes, Alfie

written by  
**Lily Mae  
Walters**

illustrated by  
**Jack Foster**

Alfie snuggles down in bed,  
dreams still in his little head.  
He dreams he's a king going out for a ride.  
"A dragon sleeps in front of the gate," they cried.  
How will they succeed in waking him up?  
By helping each other and lots of luck.
