

With the war in Summia over, Imperiana becomes the new battlefield. Var arrives in Adriat hoping to convince President Gelfson to end his insane attempt to create an army of dead Imperialists and invade Summia to complete his plan of total genocide. Meesha, in an effort to save Ten, travels to Imperiana only to discover Moab has set a diabolical trap for her. Now she must choose between freeing Zefa, her adopted mother, or Ten, the love of her life. One will live and one will die.
