Warrior. Ruler. Warlord. Vampire. For over 300 years Sung has ruled the Qin Dao province of China. He has fought for his land, he has fought for his power, and finally, he has fought for his privacy. At this point in his un-life, all he wants is to be left alone. His present goal is the study of the creature he has become. But, with the arrival of Mitsui he now has a different area of study. And a new battle to wage.
