

# Stella the Gorilla

by Dawn Bartlett  
with Laura Bartlett

Stella the Gorilla is a story about a zany gorilla mom who has a 7 children and live in a colorful funky retro van. Its a book series that embraces DIVERSITY and STRONG FEMALE ROLE MODELS. Stella's family consist of a baby worm, kangaroo, diaper wearing boar, ladybug, pair of octopus twins, and a centipede (who is partially hidden to develop visual perception skills in young readers).
