

When orphaned ex-Navy S.E.A.L. Thomas Scott decides upon a life of crime, he does not expect to be recruited to join an elite Special Forces operation charged with stealing an alien artifact. Especially a mixed-species alien team headed by inter-galactic billionaire Snarth. The close-knit team soon becomes Tom's family in more senses than one, which complicates matters when the mysterious artifact turns out to hold secrets that may plunge the whole of the known universe into a devastating war...
